Terms and conditions for school visits

General

We recommend a minimum ratio of adults to children of 1:8.

You may wish to consider dividing your class up into groups of 10 or less in order that each group, accompanied by an adult, can rotate around the maze and other activities.

Parking

We have ample coach and car parking.

On arrival

We will be ready to meet you and show you round the facilities.

Access

The maze and play paddock are easily accessible. Please let us know in advance if you have any particular mobility requirements e.g. wheelchair access.

Health and Safety

Please ensure that pupils are supervised at all times during your visit, including the lunch period. Supervision of pupils is, at all times, the responsibility of the accompanying teachers. First aid facilities are available from our cabins. Toilets, including toilets for disabled visitors, are located at the far side of the Play Paddock. Bags and coats can be secured in one of our cabins.

Lunch

If you are bringing packed lunches, to ensure full picnic facilities will be available for all members of your group, we may need to allocate a time for lunch. Please adhere to the time slot as other schools may also require picnic facilities.

We look forward to seeing you.

Andrew and Ione Cumming
